

"How lucky am I to have something that makes saying goodbye so hard." A. A. Milne

It has been a fast paced last 2 weeks at Hollywood, with lots of activities starting up again, lifting our spirits and making sure that we are having some end of term fun!

We have had daily netball training, thanks to Mrs B and Miss P – and from the skill level I think our Hollywood Hurricanes will be tough competition this season – as we saw during our teacher vs. student match at lunchtime today!

Thank you to our families, students and staff who also donated gifts, flowers and cards to wish Linda, our Canteen Manager farewell. Linda's partner collected these from our front office this morning and passed on Linda's thank you to our students, staff and families.

Our students have also been celebrating NAIDOC week through various activities. During the week we have seen rainbow serpents, Noongar season paintings, mia mias and more. Thank you to Mrs Wood and Miss Giddy who have supported these activities through the school. Our assembly today by Miss Giddy and the Year 1/2 students was a celebration of the commitment Hollywood has made to embed Aboriginal cultural perspectives across the school.

Today I also was able to celebrate my time at Hollywood Primary School. I will always say 'celebrate' as it has been the highlight of my career so far, not only growing my skills as a leader but making such strong relationships with our Hollywood community – students, staff and families. Hollywood Primary School will always have a place in my heart and I know that it will continue to be known as a school that supports every member of its community to be the best they can be. I said this afternoon at the most amazing assembly, "How lucky am I to have something that makes saying goodbye so hard".

If you are fortunate to go on a holiday or have a staycation at home, enjoy having the choice to get out and actually do something these holidays. Stay safe and keep watch over our amazing school.

Fiona McBeath
Principal

"At the heart of every decision we make must be the students." Mrs McBeath

Reading the cards HPS children have made for Fiona this week, it's been evident the impact she has had in her time at the school, and how this phrase she lives and leads by has been so intrinsically embedded. The modern idea of a Principal has evolved over time and still does by the day, but one thing Mrs McBeath leaves behind is the notion that the Principal is visible, hands-on, down in the trenches, sometimes shoes-off running around, never acting like a job is either too big or too small. Every one of us is a better educator for having worked under Fiona's guidance and support. She leaves big (but so stylish) shoes to fill, and a lasting legacy of the relentless pursuit of school improvement for all students. Thank you for everything Fiona, and we wish you all the best in your new adventure.

The staff of Hollywood Primary School

Term 3 Events @ Hollywood

Please note the following upcoming events for **Week 1 & 2:**

Week 1

- **No clubs this week**
- **HPS Netball Club** 7:45 – 8:30am Thursday 23 July

Interschool Cross Country

Congratulations to all our Interschool Cross Country competitors. Students had a great time and tried their best. It was great to see the students practicing skills from training such as pace, breathing techniques, hard finishes across the finish line and showing great sportsmanship at the end of the race. I'd like to thank all students for committing to Thursday lunch time training sessions. A special thanks to a few students who even visited Jolimont to train on the track on your weekend!

Final scores were:

- **6th place 48 Mt Claremont**
- **5th place 50 Hollywood**
- **4th 63 Cottesloe**
- **3rd 83 Jolimont**
- **2nd 100 Mosman Park**
- **1st 121 Dalkeith**

PE Specialist

Music @ Hollywood

Term 2 has been an exciting term for Music. With Covid-19 restrictions lifting, we welcomed back instrumental lessons, the Senior Choir, and, for the first time, Junior Choir!

The Year 1s to 3s in Junior Choir have enjoyed filling the Music Room with singing on Wednesday lunchtimes, and today they ended the term beautifully with their very first performance. Today's assembly saw not just a celebration of NAIDOC week, but also the return of the school community for the first live assembly in a long time. What better way to celebrate these two occasions than with Room 5 and the Junior Choir singing "Wandjoo My Friend... it's good to see you again," – an uplifting song combining English, Noongar and AUSLAN sign language.

The Senior Choir also helped to celebrate NAIDOC week with a stunning performance of "Gundulla – We Dance" – first sung by the Indigenous group, Yabu Band, from Kalgoorlie. The four soloists – Miranda di Camillo, Isaac Friedewald, Layne McFarlane and Emily McLaren – introduced the song beautifully. "Gundulla" is just one of many songs that the Senior Choir is preparing for the Massed Choir Festival later in the year.

It has also been an exciting term in classroom Music, with the whole-school Recycled Instrument project. Every class from Pre-Primary to

Year 6 spent the term exploring musical instruments, both traditional and invented. First, we discovered the true story of the Recycled Orchestra of Paraguay, in which all the instruments were made from rubbish. From there, we explored the many ways we could use recycled materials to make instruments, taking inspiration from groups such as Kaboom Percussion and Stomp. We also explored traditional instruments of the orchestra, learning to classify the instruments into families, understand how each produces sound, and recognise instruments by sight and sound.

In Weeks 9 and 10, every student brought in their very own recycled instrument that they had built during the term. It was exciting to see the Music Room overflowing with such a variety of instruments, from guiros to guitars, shakers to 'string-cussion'. For some, it was a whole-family adventure, and I hope you all enjoyed experimenting with sounds and music together at home. I was blown away by the creativity and hard work demonstrated in these projects. To conclude

the term's Music project, each class got to experience the combined sounds of their instruments. Lower primary classes proved that any instrument can keep the beat of the music, while the upper primary classes enjoyed being a backing band for jazz singer Michael Buble.

Thank you to all of the families who got involved in this term's Music project. After a strange couple of months, it has been a delight feeling the school come alive with music once more.

Music Specialist

Term 3 Cleaning & Hygiene @ Hollywood

It is very important that as a school community we keep the positives learnt from the "Covid-19 experience." Your children have the resilience and independence to come to class on their own, they have thrived and I would like to see this continue. Parents, especially in the mornings, please "drop and go". Be proud of your children and how responsible they have become.

The following must be adhered to:

- Good hygiene practices of staff, students, parents and visitors.
- Regular cleaning, including equipment.
- Physical distancing with a two square metre rule per adult applies.
- Parents to report to the school office when dropping off or collecting students (K-6) during the school day.
- Visitors on site must sign in at the office.
- Strictly staff and students only in classrooms.
- Parent volunteers are allowed in the classroom for a specific purpose as directed by the teacher (parent roster, special activity, class helper)
- Parents may attend the school site for scheduled meetings, drop off and pick up.
- Be on time as it decreases interruptions to learning programs, late students to sign in at the office.

Thank you to students, staff, parents for the challenges you have endured during Term 2 and tenacity you have shown in difficult times. You are all Super Stars!

Department of Education funding for additional cleaning during the school day (toilets, high impact areas, playgrounds) has been extended to the end of Term 3. The cleaning team of Ibrahim and Alizabeth continue to keep the school clean and safe. We thank them for their hard work.

Soundwaves Spelling

In Weeks 1 and 2 of Term 3, students will learn three new sounds in Units 19 and 20. Unit 19 sees students learning a tricky sound - "long o," which can be made in many different ways. Students need to use their knowledge of spelling strategies including looking at the word and thinking "does it look right?" and "what other ways could I make that sound?"

In Unit 20, students will cover the "p" and "r" sounds. Students will learn that these sounds can be made with a single consonant at the start or end of a word, and a double consonant in the middle if the preceding vowel sound is short. Students in Years 1 to 6 will be busily learning three new sounds in Weeks 9 and 10 of Term Two, unit 17 (long "i" sound) and unit 18 ("n" and "ng" sounds).

Please continue to support your children's spelling learning from home by encouraging them to identify and use the sound(s) of the week during conversations and reading activities at home.

2021 Kindy & Pre Primary Enrolments

HOLLYWOOD
PRIMARY SCHOOL

Kindergarten

Kindergarten 2021 enrolments are now open at Hollywood Primary School. If your child was born between 1 July 2016 and 30 June 2017, they are eligible to start Kindergarten next year. The 2021 Kindergarten Application Form is available on our website. Please complete the form and email it to hollywood.ps@education.wa.edu.au together with a copy of your child's birth certificate, Australian Immunisation Register record, and proof of residence such as a long term lease agreement or council rates notice. Applications close on **Friday 3 July 2020**.

Pre-primary

We are also asking our current Kindergarten 2020 families to complete their compulsory 2021 Pre-primary Application Forms, available on the school website. Additionally, please re-submit your child's Australian Immunisation Register record and proof of address such as a long term lease agreement or council rates notice. Applications must be returned by close of business on **Monday 15 June 2020** either via email to hollywood.ps@education.wa.edu.au or via your child's class teacher.

If your family will be leaving us in 2020 please also inform the front office by Friday, 3 July, 2020. This will ensure timely transferral of students files and opportunity for transition meeting as required.

Hollywood Parents & Citizens

P&C Canteen Update

Hollywood is expanding its Canteen options from Term 3. The P&C is pleased to announce that the Canteen will be available 5 days a week next term. We are offering more flexibility and a wider range of menu items. The school canteen will be open Mondays, Wednesdays and Fridays for lunch and morning tea.

On Tuesday and Thursday, the school canteen will be closed, but food will be supplied by Chef's Delight for lunch only. The existing system will stay in place until the end of term, so please don't top up your Quickcliq past that point.

Communications Hollywood P&C

*P&C meets at 6.30PM in the school library on the third and seventh Wednesday of each school term. All are welcome to attend. *

P&C Lapathon Term 3

HPS is conducting a red-carpet event Hollywood Lap of Fame Lapathon as our key (TAX DEDUCTIBLE) fundraiser for Term 3! Dress to impress, wear your favourite costume /outfit or something cool.

TIMINGS & PARTICIPATION

When: Friday, 7th August 2020 – 1:30pm

How Long: 45mins

Course Length: Kindy – Y2 150m Y3 – Y6 300m

Free fruit will be available throughout the event to give participants an energy boost, and on completion, all students will receive a free icypole!

For \$5, participants and spectators can pre-order a Lapathon Pack (muffin + juice box + packet of chips). Please pre-order by 5pm Friday, 31 July:

<https://www.trybooking.com/BKFYP>

Family and friends are encouraged to attend and complete laps, or simply cheer participants on! Please see Dojo posts for further information.

Community Nurse Update

Welcome to the new school year. My name is Deb Aggett and I am the Community Health Nurse (Child and Adolescent Health Service) for your school.

Community Health Nurses work in schools to promote healthy development and wellbeing so students may reach their full potential. A major part of my work is focused on early intervention and the School Entry Health Assessment program for Kindergarten students and Pre-Primary students (if missed in Kindy).

Community Health Nurses serve as a health contact point for children and their families, providing information, assessment, health counselling and referral. The services provided are free and confidential.

My email address is deborah.aggett@health.wa.gov.au and my mobile number is 0417 851 497. My days of work are Tuesday, Wednesday & Friday, 8.30am – 4.30pm.

Dental health - Keep your child's teeth healthy

Teeth are important possessions. Here are some tips for keeping them healthy.

117 Monash Avenue Nedlands WA 6009
Phone: (08) 9278 6400 Email: hollywood.ps@education.wa.edu.au
Website: www.hollywoodps.wa.edu.au

- Clean teeth, gums and tongue at least twice a day with a soft toothbrush. Parents should supervise tooth brushing until children are 8 or 9 years old as children do not have the dexterity to brush the molars properly until then.
- Adults and children should use a pea-sized amount of fluoride toothpaste. Toothpaste should be spat out after brushing and never eaten or swallowed. Do not rinse your mouth out with water after brushing your teeth.
- Rinse your toothbrush thoroughly after brushing and store it hygienically. Replace your toothbrush regularly.
- Older children and adults should floss their teeth daily.
- Eating and drinking healthily is important for keeping your teeth healthy – try to keep away from too much sugar, especially between meals.

For more dental health information, go to <http://raisingchildren.net.au> or <http://www.dental.wa.gov.au/>

The School Dental Service provides free general dental care to school children throughout Western Australia, from pre-primary through to Year 11 (or 17th birthday). Contact your closest School Dental Therapy Centre or Dental Health Services on 9313 0555 for further information. If you require Interpreter Services, please refer to the Dental Health Services Interpreter Service information.
